AASHIRWAD GROUP is one of the leading group for delivering of best in class personal protective equipments.

Mr. Gaurav Oza
(Founder Aashirwad Group)

Founder Of AASHIRWAD GROUP Mr. Gaurav Oza believes in ensuring to serve our customers effectively health and safety systems in place to protect all our customers, employees getting confidence of customers and enhance business reputation.

Our Founder Mr. Gaurav Oza is certified high preassure boiler operator and have experience of about 2 decades in Thermal Power Station and also specialized in maintainance, overauling, operation of water tube and fire tube boilers. Mr Gaurav oza have a long work experience of boiler erection statutory and as built line work of steam and water lines.

We are not only a company or a brand who sells safety products but also we are having best team for consulting and to help our customers by their good experience and best services.

Mr. Upendrakumar Erda (Tech. Ele) is having 26 years of experiance in electical works. and also having experiance of 24 years of work for Hotels, Hospitals, Malls, Highrise Buildings, Industries and many more. also he is Operator of 11KV Power Dsitribution Pannel.

We have wide range of latest technology equipments and products comprising of Personal Protective Equipments, Fire Safety Systems, Road Safety, Industrial Safety, Marine Safety, Lifting Materials, Lock Out-Tag Out and Signages. We have a dedicated team looking after Safety Training and Audit. We are single window providing solution to all your safety issues. We have mastered ourselves at innovation in business and delivering exceptional quality at reasonable price giving highest level of satisfaction to our respected customers.

Our team of Engineers are constantly innovating and bringing new ideas to our business. Our Executive Technical Manager is having wide experience and teams works under their guidance also dedicated themselves for ensuring safety first all over. Our R&D team continously works to ensure safety of our customers. Our team is dedicated to serve best quality work and product on specified time.

We also work in CO2 flooding system or central bank CO2 system wich is one of the common fixedfire fighting system installed on most of the Heavy Chemical Industries, Petro Chemical Industries, Cement Industries, Power Plants, Digital Libraries, Ships, Paper Mills, AirCraft Carrier and many more.

Our fire safety products are one stop solution for our customers

1. Fire Fighting Equipment
2. Safety Equipment and Personal PPE
3. Fire Sproinkler System
4. Wet and Dry riser System
5. Fire EXtingushers
6. Fire Detection and Alaram System
7. Supply, Installation, Testingh Commissioning Equiptments.
8. Flooding System
9. Foam Fire Suppression System

Our Wide Range Of Products Are:

Hydrant Valves
Delivery Hose Pipe and Couplings
Nozzles and Sprinklers
Water and Foam Monirots
Trailer/ Trolly Mounted Monitors
Hose Cabinets and Hose Reels
Dry Riser Gitting and Acessories
Hand Line Nozzles, Siren and Hose Building Machine
Hydrant Stand Posts
Monitor Nozzles and Water Ejector Pump
Fixed and Portable Foam Ewuipments
Vehical Accesories
Custom Engineered Skids

VISION

To achieve highest peak of business through expecting values, unsurpassed professional approach, best service to customers, friendly work culture and innovative ideas.

Mission

1. Provide quality products to our customers
2. Development effective safety systems
3. Identify, manage and reduce risk
4. Comply with needs of the customers
5. Building trust and long lasting relationships
